

# February 2019

This February began with snow and is finishing with sunshine! Although the cold weather is sure to return before we see the summer. Our children have as always embraced all the fun and excitement that nursery offers.

We have thoroughly enjoyed some music sessions and holiday club has involved lots of messy activities and sensory play.

Do take a look at our gallery to see the sensory play and experiences the children have enjoyed recently.

May we thank you for your support in helping us gather pots and pans for our music area - this is currently being planned and created to allow fun in the garden as summer approaches.

Next month we are planning a sponsored obstacle course and we will shortly be sending out sponsor forms- we do hope that you will support us to raise money to create some exciting garden adventures both in Pastures and Meadows.

Best wishes and Many Thanks

Kerrie and the Ambleside team
