

## November 2018

We hope that you and your children had an enjoyable half term- whether you holidayed, spent some time at home or joined the exciting activities at our holiday club.

Returning from the holidays we find it chillier and autumnal. Thank you for your donations of conkers and pinecones, as you can see from the photo gallery, the children have enjoyed exploring these materials.

Since half term we welcome Carly who has joined our lunch club team, and we hope to have another person join this team in January.

This half term we have some exciting opportunities for the children, on 20<sup>th</sup> of November Zoolab will visit Meadows children (and those soon to transition from Pastures), bringing with them some animals and little creatures for the children to meet! This visit is enjoyed by all, children and staff alike.

A donation of £3 towards this visit would be appreciated.

If your child does not attend on the day that Zoolab visit please speak to your child's keyworker about opportunities to join the session.

I am sure that you will also have noticed the "glitter and sparkle" that has arrived in Meadow cloakroom, our display is the beginning of a very special event that is provided for the children in Meadows each year. Please do take a look; you will see that we are gathering/collecting items to allow us to provide this fantastic learning opportunity for the children. We are looking forward to all the excitement and learning of the next few weeks.

Best Wishes, Kerrie and the team.

# Photo Gallery

Thank you so much for your donations of conkers and fir cones. We have used them in so many different ways.
